TUFDEK DESIGNER PRODUCT ADVANTAGE

Tufdek™ vinyl membrane is the primary component in a high performing waterproof system. Tufdek™ is engineered for longevity by encompassing a proven and time tested PVC formula with proprietary weft reinforcement and state of the art manufacturing controls to make the best outdoor walking surface on the market. In addition, our proprietary Aqueous Based Inks & Polycarbonate Top Finish make Tufdek™ the strongest, longest lasting, and most fade resistant product for your outdoor waterproofing project. Our Designer line of colors were created to replicate other common and familiar materials found in the construction industry. Designer colors are the perfect choice to get the "WOW" factor into your waterproofing project.
