Subject: Status of Tuff Industries Inc. relationship with Intertek

To Whom It May Concern:

This letter is in response to your request for confirmation of the relationship between Intertek and Tuff Industries Inc.

Intertek was retained to evaluate, audit and list "Tufdek™" Roof Membranes in accordance with the following standards. The material has passed the requirements outlined in standards below and is also inspected per Florida Building code FL13993-R2.

TUFDEK™

- a) CAN/CGSB 37.54-95 "Polyvinyl Chloride Roofing and Waterproofing Membrane."
- b) ASTM D4434-10 "Standard Specification for Polyvinyl Chloride Sheet Roofing."
- c) Florida Building code FL13993-R2

Intertek conducts periodic quarterly inspections of your facility to confirm that you are manufacturing the products covered under these tests and standards in a consistent manner in accordance to your quality control system.

Please note that the agreement with Intertek is a perpetual agreement and is automatically renewed each year until you stop making the product.

Please contact us if you have any questions or comments.

Sincerely,

Michael Puls
Inspection Manager
