

# WATERPROOF DECK SOLUTIONS

## TUFDEK™ SYSTEM ADVANTAGE

Tufdek™ is more than **The World's Strongest Vinyl Decking**, it is an integrated waterproofing system. As a manufacturer of waterproofing products to the deck and roof industry, we ensure all components and accessories are not only tested and compatible but exceed all National Code Standards. The added benefit of Authorized Tufdek™ Dealers installing the complete Tufdek™ waterproofing system is the best long-term investment you can make for your waterproofing project.

**Don't just choose Tufdek™, choose the Tufdek™ system!**

## HOW TUFDEK™ IS MADE

## OUR HYDROPHOBIC TOP FINISH

At Tuff Industries Inc. we are committed to developing higher performing and longer lasting vinyl decking products while reducing our environmental impact. The printed surface of our signature brand Tufdek™ vinyl decking is sealed with our proprietary aqueous based hydrophobic polycarbonate top finish. This unique innovation makes Tufdek™ easier to clean and maintain while extending its U.V. protection resulting in a longer lasting product with more vibrant color retention.

## OUR COOL-STEP™ DESIGNS

There is nothing better than enjoying your deck in the summertime. For those of you who enjoy those full sun exposure days, we recommend the Cool-Step™ designs. These colors provide higher solar reflectivity helping make your outdoor experience on the hottest days more enjoyable. Look for the Cool-Step™ logo on select colors and choose a product that remains cooler in the sun.

# OUR SOLUTIONS

## SUPREME SERIES

Tufdek™ Supreme Series vinyl decking incorporates gentle earth tones in unique contrasting designs that diffuse bright sunlight while maintaining a vibrant appearance.

### COOL-STEP DESIGNS

Cool-Step colors are up to 50% cooler than our warmest deck surface. Look for the Cool-Step logo on select Tufdek designs for a cooler color choice for your outdoor space.

## DESIGNER SERIES

Tufdek™ leads the industry in creating unique 3D designs replicating the look of other commonly used building materials. Our Designer Series product line includes some of the most realistic vinyl designs on the market.

### TIPS:

- Always follow the Tufdek™ Maintenance Instructions to protect the service life of your Tufdek™ vinyl decking.
- The printed surface of vinyl decking can scuff with high friction.
- Actual vinyl colors may vary from photos.
