

Tuff Industries Inc. is a leading waterproofing solutions company located in the Okanagan Valley of British Columbia, Canada. With over 30 years' experience in the vinyl decking industry Tuff Industries has developed some of the most innovative waterproof vinyl decking products and accessories on the market.

Tufdek™ is our signature brand and is sold exclusively through our Authorized Dealer Network. Tufdek is truly the world's strongest, best performing, and best looking waterproof vinyl decking system available today!

We are currently expanding our Tufdek Authorized Dealer Network. Our exclusive product line and training program enables Tufdek Dealers to provide an exceptional waterproofing solution to their customers while building a lucrative business for themselves.

Our commitment and dedication to quality products, service, and Authorized Dealers, makes Tufdek the right choice for your outdoor waterproofing projects. If you are interested in becoming an Authorized Tufdek Dealer please contact us today to learn more.

Sincerely,

Bryan Hughes
President
Tuff Industries Inc.
